

***WHAT EVERYBODY SHOULD KNOW  
ABOUT FIQH (ISLAMIC JURISPRUDENCE)***

**PREPARED BY: MOHAMED ALIE JALLOH**

In the name of Allah the Most Gracious the Most Merciful

The Prophet(PBUH) said: “ If Allah wants to do good for a person, He makes him understand the religion.”

**COURSE CONTENT:** Fiqh topics on Al-Ibadaat that in accord with the Qur'an and Authentic Sunnah and also free from differences of opinion among school of Fiqh.

# WHAT IS FIQH?

Is the knowledge of practical religious rulings that are derived from detailed evidence and proof.

## **Tahara (Purification)**

Is the removal of ritual and physical impurities.

### **Categories of Tahara (Purification)**

There are two categories of purification.

- 1) Purification from ritual impurity (**Tahara Hadath**)
- 2) Purification from filth. (**Tahara Khabath**).

# Division of Tahara Hadath (Purification from ritual impurity)

- 1) Major Purification (GHUSL):** Which is complete washing of the body.
- 2) Minor Purification (WUDHU):** Which is ablution.
- 3) DRY ABULUTION (TAYAMMUM):** Is a substitute for either major or minor purification when they cannot performed.

# Al-Miyaah (Discussion of Water)

## Types of Water

- ❖ **Tahur:** (Pure and Purifying) Water that retains its natural characteristics. E.g. water of seas, rivers, lakes, snow, rain, hail, wells and spring.
- ❖ **Tahir:** (Pure, but not purifying ) Water that has had its color, smell or taste changed by a substance which is not impure.
- ❖ **Najis:** Impure (Filthy) Water that has had one of its characteristics (color, smell & taste) changed by an impure substance (Najasah).
